Show Your Support! Be part of our commemorative sponsor booklet.

Last year's Festival Latino was a great success.

Our community enjoyed live music, traditional dance, and Mexican food. Our hearts were warmed by the overwhelming response and support from the community.

This year, live mariachi music returns along with the Ballet Folklorico Mosaicos, and live salsa music from Grupo Bembe. We are planning new activities for kids and an evening full of festivities.

Show your support. Offering Festival Latino to the community takes resources and funding. By sponsoring this year's event, your business will receive advertising in our commemorative booklet. The community will recognize and appreciate that you helped make Festival Latino possible.

Commemorative Sponsor Booklet. This publication will be printed in full color on glossy paper. Here's an opportunity for your organization to display your logo and your message to the community.

A Letter from the Mayor, welcoming Festival Latino, will lead the commemorative sponsor booklet.

An investment in Festival Latino is an investment in our community, a diverse community where people help each other will grow and thrive.

Thank you for your support. We look forward to seeing you in downtown Vincennes. Enjoy the festivities
